one drop.

Together,
we are
an ocean.”

RYUNOSUKE SATORO

The Tuberos Sclerosis Alliance (TS Alliance) is looking to grow and inspire our volunteer corps, and we need you to *advance our cause!* Join with others in the TSC community to facilitate local connections for anyone affected by tuberous sclerosis complex (TSC), raise revenue and increase awareness in support of our mission to find a cure for TSC, while improving the lives of those affected.

TAKE ACTION! VOLUNTEERS ARE NEEDED TODAY FOR:

TSC CONNECT

You can join an organized partnership of individuals whose lives have been affected by TSC. These volunteers are committed to offering peer-to-peer support and sharing their experiences with others. This program is designed to connect individuals either by specific geographical area, manifestations, or age of TSC individual and lets volunteers choose the issues they have personal experience with and are willing to discuss with others.

COMMUNITY FUNDRAISING

You'll help organize a special event in your local community to raise funds for the TS Alliance. Events can be large or small, like Step Forward to Cure TSC® walks, Team TSC and other community fundraisers. Revenue generated by special events are integral to our mission to provide funding for individual and family support, research and outreach efforts.

COMMUNITY ALLIANCES

Join one of our volunteer branches in locations across the United States. Community Alliances host educational meetings, organize special events, raise awareness and serve as a resource in their local TSC communities.

GOVERNMENT ACTION TEAM

Join the TS Alliance's Government Action Team and help us advocate for funding for TSC research by reaching out to your local and Federal representatives through emails, phone calls or meetings.

The TS Alliance will support your volunteer efforts by providing training as needed, materials and information, other resources and guidance. Join our movement and help mobilize for a better future for every child, adult and family impacted by TSC.
